Dear Sir:

Rule 116 Amendment

It is requested that the following corrective amendments be made in claim 1, pursuant to Rule 116.

In finalizing the Appeal Brief for submission with regard to the above subject application it was observed in reviewing a clean sheet of the claims that obvious typing errors had occurred in claim 1 at the time a Response was filed on May 29, 2003. The undersigned attorney and presumably the examiner overlooked such obvious errors. As such, in order to place the claims in better form for appeal, this amendment is being submitted in sufficient time prior to the issuance of the examiner's answer.

It is submitted that the amendments which correct obvious typing errors will not require any further examination.
